

Premium lube trolley package

Enables portable oil or grease dispensing from drums

Designed for convenience and portability, Lincoln's premium lube trolley package comes complete with all components needed for dispensing oil or grease directly from 55-gallon (208 l) or 400-pound (181 kg) drums. The lube trolley is suitable for servicing a full range of vehicles, as well as industrial and machinery processes.

Available packages include a pneumatically operated Lincoln pump for oil or grease, a durable hose reel, metering device, air control with filter/regulator/gauge and connection hoses and fittings.

Lube trolley advantages:

- Packaged product with all necessary components
- Durable, heavy-duty construction
- Ability to dispense lubricant directly from 55-gallon (208 l) (oil) or 400-pound (181 kg) (grease) drums
- Easily maneuverable on uneven surfaces in shop or factory
- Makes dispensing possible without installed overhead reels or bench tanks
- SKF and Lincoln resources ensure maximum reliability and lowest cost of ownership

Available in oil or grease packages

Package 279092 specifications – oil

Order no.	Description
284168	Series 25 universal 3:1 pump
94335	Heavy-duty reel with 30 ft (9 m) hose
982	Electronic meter with flexible extension measures pints, quarts, gallons or liters
602134	Air control with filter/regulator/gauge
–	Oil connection hoses and fittings

Package 279091 specifications – grease

Order no.	Description
926	Series 20 50:1 pump with cover
83366	Follower for 400 lb (181 kg) drums
94533	Heavy-duty reel with 30 ft (9 m), high-pressure hose
740	Heavy-duty control valve
81387	Universal swivel
602134	Air control with filter/regulator/gauge
–	Grease connection hoses and fittings

For additional information on these components, please refer to the Lincoln lubrication equipment, hand-held lubrication tools and accessories catalog.
